Your right to request a meeting with school's Governing Body

The Schools Standards and Organisation (Wales) Act 2013 removed the requirement for schools to hold an annual meeting with parents. Instead new arrangements were introduced to enable parents to request up to 3 meetings in any school year with a Governing Body, on matters which are of concern to them. More information on this can be found on the school website. No meeting was held or requested during the last academic year.

Your Governing Body

The Governing Body represents the local community in the running of the school. It is made up of parents, staff, people appointed by the local authority and people who are co-opted by the Governors themselves. Governors cannot act individually – they make decisions through committees of full governing body meetings. Governors are mainly concerned with policy and strategy and the Headteacher and staff are accountable to the Governing Body. The Governing Body is not involved in the day-to-day running of the school. More information can be found in the fuller version of the Governor Report to Parents.
