Learners Today, Leaders Tomorrow Dysgwyr Heddiw, Arweinwyr Yfory

Monday May 24th 2021

Dear Parents/Guardians and Carers and Year 11 pupils,

Very well done to all of Year 11 for completing most of your assessments. We understand how unusual this year has been and we are proud of how you have handled these last few weeks.

From Tuesday 25th May, Year 11 pupils do not need to attend school full-time and should only attend, for the remainder of this week when they have an assessment.

- Please arrive no earlier than 5 minutes before your assessment
- You **MUST** arrive via reception, where your name will be registered,
- Please go straight to the classroom
- You **MUST** leave immediately after your last assessment for that day, again via reception to be signed out.
- Full school uniform is expected to be worn.

If Year 11 pupils are studying Hair & Beauty, Engineering or Welding, they must attend directly to the Phoenix Centre for your usual timetabled lessons for the rest of this week.

For further information, please use the Google Classroom for each subject to check arrangements.

We will be issuing provisional GCSE results to pupils' email addresses on Wednesday 23rd June. There will be support available for any pupil who needs guidance for their next steps and we will also provide details of the process that follows the distribution of these grades at a later date.

Many pupils are coming back to study A Levels and will become part of the Ysgol Harri Tudur 6th Form; We would like to extend an invitation to those pupils intending to return to Sixth form Education at Ysgol Harri Tudur/Henry Tudor School to attend school in July for our transition to A' Levels programme, to enable pupils to attend sessions with A Level teacher in the subjects that they hope to study in September. Mr Jones will contact you with the details.

The rest of you are going on to study a wide variety of subjects and trades at college I wish you the best of luck wherever your further studies take place.

If you are able to donate any uniform to the school, this would be gratefully received and will be of considerable help to other families.

We would 'normally' have an assembly and a formal RoA. We were unable to do this in 2020 and we cannot do that this year, and that is very sad. I genuinely feel aggrieved for you about how the recent pandemic, and ensuing events, have affected your school career and the way it has determined the ending of it. I can only hope that it does not affect your aspirations for the future or tarnish your memories of your time at Ysgol Harri Tudur.

The plan is to invite Year 11 back for a celebratory event at the start of July, hopefully the weather will have improved and we can hold a Covid safe celebration of your time at our school. We hope that Covid restrictions in Wales will continue to lift to enable us to hold this celebration for you. We will let Year 11 know the details nearer the time.

It has been a pleasure and a privilege to be part of the process that has educated you, informed you and, in some cases, guided you. You have been a credit to the school, your parents but, most importantly, to yourselves.

I hope that you are successful in your chosen paths and find happiness and satisfaction in what you do and look back on your days at Ysgol Harri Tudur fondly and with some pride. Please be proud of who you are, as you should be.

I am sure that you will want to join me in thanking our teachers, support staff and the Key stage 4 Leader for their support and encouragement for pupils throughout the year.

A link to a video will be placed in Google Classroom, please watch it; know that the teachers are full of admiration for the way you have dealt with the difficulties of the pandemic.

With all very best wishes, please stay safe and well
