Learning & Teaching 2021-22

It has been a challenging and turbulent year for teaching and learning at Ysgol Harri Tudur.

Pupils, students and teachers have worked hard to minimise the disruption to education caused by the Covid pandemic for a second academic year. Planning for the new Curriculum for Wales has continued, ensuring that Faculties are ready for delivery of a curriculum that places our learners at its heart. The efforts made by all during the periods of Blended Learning have been considerable and very humbling. Teachers have progressed their IT skills at a phenomenal rate, embracing new learning tools to help deliver a more interactive learning experience. Learners have worked hard to overcome the barriers of learning from home and the support staff were incredible in the organisation and deployment of resources.

Once again, teachers were given the task of designing and delivering a programme to assess our GCSE & A Level pupils, the results have been really inspiring. Our pupils returned to school just before Easter, determined and focused to do their very best.

In addition, we have been working hard to develop the range of learning experiences for our pupils. Two exciting developments for next year are the introduction of a vehicle maintenance course in the Phoenix Centre as well as a Woodland School (in our woods). Our Woodland School is a child-centred inspirational learning setting that offers opportunities for educational and personal growth through weekly sessions. It is a program that supports play, exploration and the development of new skills. It develops confidence and self-esteem through learner inspired, hands-on experiences in a natural setting.

Our goal remains to get high quality lessons to ensure all pupils and students are fully engaged in their subjects, making progress and working towards a holistic school experience, receiving qualifications and prepared for adult working life.

Mr T Crichton
Deputy Headteacher

Ysgol Harri Tudur Wellbeing Garden

We are developing a well-being garden to assist with enhancing the wellbeing of pupils/students and staff.

The plan (pictured) is progressing well. It includes raised beds, hedgerow and tree planting, a wild meadow area set aside, a reading/assembly circle along with benching and seats.

Friends of Ysgol Harri Tudur / Henry Tudor School Fundraising

The Marathon in June was organised by the Friends of Ysgol Harri Tudur/Henry Tudor School to raise funds for the development of our wellbeing garden.

Congratulations to Ben Stanton 🙌🙌🙌

Huge congratulations to Ben Stanton on his fabulous fundraising achievement during the Marathon in June. Ben has raised £335, which will go towards developing the school's wellbeing garden.

Thank you Ben!

Top Staff Fundraisers

A big **THANK YOU** and congratulations to both **Mr Makin** and **Mr Hamilton** for their commitment and dedication to the Marathon in June, raising a fantastic total of just under £600!

Donations

Thank you for all of the fantastic donations of plants, tyres, pots, planters, seeds etc. that have been given to us by parents and friends of our school. We would also like to thank Paul Culyer of Natural Resources Wales for his help. We are always pleased to receive anything else, to help our wellbeing garden grow.

The Just Giving fundraising page has now closed but if you wish to make a donation please contact the Business Support Manager, Mr Nick Makin; nmakin@yht.wales

School Uniform

At Ysgol Harri Tudur, we place an emphasis on pride in our community. A visible indication of this is in the standard of our pupils and sixth form students’ uniform.

Pupils, students and staff have recently voiced their pleasure at the high standards we maintain. Many visitors have commented on the impressive standard of uniform at the school, and we have been particularly delighted at the number of comments we have received about how smart pupils and students look whilst travelling to and from school.

However, there has been a recent deterioration in the standards of school uniform from a minority of pupils. Whilst there are some genuine reasons for this, there has been defiance from some, which we do and will not accept. Hoodies, denim jackets, black puffer jackets, sequined bomber jackets, gilets or body warmers are not substitutes for the compulsory school blazer. Black jeans, leggings or jogging bottoms are also not permitted items of school uniform.

Please read below to clarify what the school uniform should be to ensure that your son/daughter is fully prepared in our correct uniform after the Summer Holiday.

Compulsory	Optional	Not permitted
Blazer – All pupils from Year 7-11	Black V Neck Jumper – for pupils in Years 7-11	Trainers of any colour
School Tie – clip on or self-tie – year colour or sixth form	Blazer – For Sixth Form Students.	Black Jeans , Jeggings, Leggings, Chinos
PE Kit		Blazer substitutes
Smart , durable black shoes (all pupils and students)		No lycra, tight fit or rips
White Collared school shirt – long or short sleeves		
Traditional Uniform style Black Tailored Skirt or Trousers		

We maintain a store of spare items in our school shop to enable students to maintain our high standards. Due to the closure of Tees R US in Pembroke Dock, we will be opening our own outlet at school, stocking and selling new and second hand school uniform items, including blazers and ties, with a range of prices, in our school shop.

If a pupil or student’s appearance does not meet the expected standard, the school reserves the right to apply sanctions in line with our behaviour policy.

Where appropriate, a pupil or student who is not wearing the correct uniform could be

- Asked to return home to change
- Wear a clean item from our school shop
- Asked to wear a replacement item provided by the school until the end of the day
- Asked to wait until uniform items are brought to school by a parent

Non-uniform items will be confiscated until the end of the day.

To facilitate this process, our Senior Leadership Team will monitor uniform on a daily basis at the school gate. Uniform will also be monitored throughout the day.

Should pupils be unable to wear the appropriate uniform then please provide your child with a note explaining the situation and an indication of when the issue will be rectified (e.g. sole fallen off shoes, buying new ones tonight). We are more than happy to help provide your child with uniform if financial difficulties or genuine hardship prevents its purchase. Please contact the Headteacher in this instance headteacher@yht.wales

Thank you for your continued support.

Ysgol Harri Tudur / Henry Tudor School

Please find below an illustrative guide to the school uniform.

The prices below are sourced from our uniform supplier Tees R Us (embroidered items) and average costs from leading supermarkets (non embroidered). Prices are based on the 2018-19 academic year, so may vary based on sizes and stock for 2019. Price lists from Tees R Us are available on request from their shops.

School Blazer with embroidered school badge – available only through Tees R Us
£29.99 - £35.99 (optional for 6th Form)

Years 7 – 11

Girls' Uniform

- £6 Asda
- £19-£24 TRUs (optional)
- £5 Asda
- £16 Asda
- £6 Asda
- £6.50 Asda
- £7 for 2 Asda

Boys' Uniform

- £16 Asda
- £6 Asda
- £19-£24 TRUs (optional)
- £6.50 Asda
- £7 for 2 Asda

Total average Cost (Girls) inc footwear: £80

Total average Cost (Boys) inc footwear: £81.50

Sixth Form

School Tie with embroidered school badge – available only through Tees R Us
£8.99 Yrs 7-11 / £9.99 6th Form

Sixth Form Uniform

- £6 Asda
- £6 Asda
- £6.50 Asda
- £22-£26 either option
- £16 Asda
- £6 Asda
- £18 Asda

Total Average Sixth Form Cost

- Girls: £52.50 (Exc. optional Blazer)
- Boys: £56.50 (Exc. optional Blazer)

Optional Clothing: Updated version of existing reversible waterproof jacket with embroidered school badge

PE Kit: A full range of PE Kit is available through Tees R Us and kit information is available on the school website.

Important notes: Trousers and skirts should be traditional uniform style – as sold in supermarkets and uniform stockists (no jeans, lycra, tight fit or rips will be accepted). Make-up is not permitted in Years 7-9, discrete make-up is acceptable in Years 10-13. Jewellery is not encouraged; earrings should be stud / hoops only, hair accessories should be simple and avoid extremes of fashion. Shoes should be plain black, smart and 'polish-able'; 'sports' and 'casual' trainers such as 'Vans' are not permitted.

Page 3

Science

Y8 Rock Pooling

Y8 pupils have had the chance to study the ecology of rock pools. This involved either travelling to Dale Beach or the mobile laboratory coming in to school. The Darwin Centre were on hand to lend their expertise and equipment. Pupils found, amongst other things, crabs, flat fish, jellyfish, periwinkles, starfish and even an eel! In the mobile laboratory, pupils got to carry out a squid dissection!

Tree Planting

Teacher and Pupils pictured are: Mr Thompson, Hannah Polkinghorn, Sarah Robinson, Lewys Kettle, Georgia-May Shiels

7N and 7O, along with the sixth form leadership team, helped to plant over 50 trees in the school grounds. This is part of a project to increase the number of trees in the Haven to do our bit towards combatting climate change. Trees are important in reducing the amount of carbon dioxide in the atmosphere. Pupils in Y7 and Y8 have done theme lessons about this in their science curriculum.

Tall Ships

Dr Wise and a group of Y12 science students were lucky enough to be invited for a day on the Tall Ship whilst she was in Pembroke Dock during June. This was a joint invitation with the Darwin Centre and students not only learned how to sail the ship, but also did a marine study collecting plankton in nets behind the ship and then studying them under the microscopes.

Manor Wildlife Park Trip

Pupils in Y7 and Y8 spent a day at Manor Wildlife Park studying endangered species and conservation. They completed booklets that will be used in their KS3 assessment of scientific skills. They also got to see the animals, feed the wallabies, watch the tiger being fed and to buy themselves some souvenirs from the shop to support conservation efforts at Manor Wildlife Park.

Creative Schools

CREATIVE COLLABORATION CAPTURING CYNEFIN!

Due to a grant from Arts Council Wales, a selection of pupils in year 7 and year 8 have been lucky enough to take part in a creative project with local creative practitioners - Molarra Awen and Phil Okwedy.

It is an exciting, creative collaboration between two AOLE’s: Languages, Literacy & Communication & Humanities. Over 120 Pupils in Y7 & Y8 have been working with Molarra & Phil over the past month, looking specifically at how creative lessons in story-telling and lyrics can improve their extended oracy performances and increase their sense of ‘Cynefin.

This is what some of the pupils had to say about the project so far:

“It’s absolutely great! I’m having so much fun!” Leon Gill-SmithY7

“I love listening to the stories and how you don’t know how they are going to go.” Jasmine Vine Y7

“It is fun and something different to do. Phil is a really good story teller.” Charlotte Rees Y7

“It’s creative and kind of out of my comfort zone but in a good way.” Y8

“It helps to explore our imagination.” Y8

It is so lovely to see our pupils benefitting from learning with creative experts who they would not have necessarily had the opportunity to meet or work with previously. These opportunities are allowing our pupils to try new experiences and encourage those who show reluctance and hesitation in traditional classroom environments to speak out and engage more.

Staff and pupils are also experiencing new ways to learn and explore, opening their minds to new possibilities and opportunities.

Hopefully, we will see some budding and creative storytellers in the not too distant future!

ALN Reform Information

In September 2021 the Additional Learning Needs and Education Tribunal (Wales) Act comes into force. This means the current code of practise for additional learning needs has changed. Our key staff have been receiving training for the new code of practice throughout 2021.

If your child is in Year 7 and has been identified as having additional learning needs by their Primary School, you will be invited into a person-centred planning meeting with your child early in the Autumn term 2021. We want to reassure parents that all the support currently in place for our learners with additional needs will remain the same.

If your child has a Statement of Special Educational Needs, this will also remain in place. Further information can be obtained from our website. If you have any concerns or would like to discuss your child’s additional needs, please contact Mrs. Ann Andrews.

Numeracy News

During the summer term, our Key Stage 3 pupils have been competing with other schools within our Times Tables Rock Stars Wales Rocks Competition. The excitement, competitiveness and team work ethic has been absolutely outstanding.

The results!

Most Valuable Players:
1st - Oliver Johns
2nd - Max Wheeler
3rd - Daisy-May Owens

Most Valuable Rock Bands:
1st - 7D
2nd - 8E
3rd - 7E

I am extremely proud of all of you for taking part and I am very excited for all of the new competitions ready for you all in the new academic year.

Keep rocking!
Mr Murray

Literacy News

Well done to all pupils in years 7- 9 who completed their National Literacy Tests online. They got used to the new system and behaved responsibly and with positive attitudes to help everything to run smoothly. Thanks also to Mrs. Bradley and Mrs. Brown who coordinated the efforts.

Free School Meals and Uniform grants

For families looking for some extra support with costs this year, please have a look at our website or get in touch- ccumine@yht.wales. Application forms are available here:

<https://www.ysgolharritudur.cymru/free-school-meals.php>

or by telephoning County Hall

01437 764551.

MAT News

This year our More Able and Talented Enrichment Programme has had to move online, pupils have joined in with a variety of online seminars, lectures and activities in topics as varied as Filmmaking, Chinese, Art History and Philosophy.

Congratulations to 8 year 10 students who succeeded in completing the Brilliant Scholars Junior Seren Award.

Pupils attended a series of online seminars and had to complete a university level essay on the topic of, How has dystopian fiction been used to explore political issues? The work was marked as it would be at university and all pupils achieved at least an Upper Second class, with 2 pupils achieving a First.

Congratulations, also to 2 Year 10 pupils for successfully completing the Swansea University Mathematics Masterclass Series.

Congratulations to our Lockdown Essay Prize Winners

Year 7, Kai Small
Year 8, Alfie Allen
Year 9, Maddy James
Year 10/11, Connor Howell
Parent, Mr. Tom Evans

esmith@yht.wales

Well done to the team who represented us in this year's virtual Wales heat of the National Reading Champions Quiz – **Ellie-May, Grace, Mia and Millie in Year 7**. Though not through to the UK round, the team tackled some challenging questions about the wide world of reading, using their knowledge and quizzing skills, and we're hugely proud of them. Thanks too to Megan and Warren, who at the last minute supported them from the sidelines.

World Book Day

Masked Reader Competition:

Our Masked Reader competition saw noble staff donning a disguise to read extracts from stories and poems. Each day a new masked reader tested our skills of detection and delighted us with their performances.

Huge thanks to Mrs Skeleton, Granny Smith, Cyclops, Eliffant, Jellyfish, Giraffe, Phantom, Pumpkin, Hummingbird, and Warrior - aka Mrs John from English; Mr Murray from the Caretaking team; Mr Male from Science; Mrs Smith the Librarian; Mrs Davies, Learning Coach; Mrs Mackeen from Science; Mr Kingdom from Skills and Science; Mr Holcroft, Learning Coach; Mrs Thompson from Science; and Mr McLoughlin, Welsh Baccalaureate, for their enthusiasm, time and good spirit!

Thanks to everyone who entered! As a few eagle-eyed entrants identified all 10 correctly, names went into a hat for our winners - Jade in Year 13; 11H and Mrs Cumine; and staff winner Miss Kitts. Our Masked Reader who evaded identification most was Warrior - congratulations to Mr McLoughlin for his skills of disguise and fabulous costume.

Design a Book-Based Mask:

We had a fabulous array of mask entries! Thanks to Mr Griffiths in the Expressive Arts Faculty for taking his time and expertise to judge our fantastic creations. Winners of Year 7 & 8 category: 1st prize was awarded to Leah in Year 8; 2nd to Kai, 3rd to Millie, and highly commended to Imogen and Tom (all Year 7). Years 9, 10 & 11 winners were in first place, Ella in Year 11; Abi in Year 9 and highly commended for Catrin in Year 10. Staff winner was Mrs Styles, and the family prize went to the Roblin family.

Big Family Book Bonanza:

Excellent book knowledge and quizzing skills were shown by the huge number of entries taking part. All correct answers were raffled for our winners: Congratulations to our pupil/student winner - Dylan in Year 7; and family winner Mrs Beynon and her family.

Friends of Ysgol Harri Tudur School

The Friends of Ysgol Harri Tudur is a registered charity formed by parents, extended families and friends of the school. The Friends raise money to help support the school and also help bring the wider community together by organising social events throughout the year.

The Friends of Ysgol Harri Tudur/ Henry Tudor School Committee

Chair: Alun Lloyd (parent)
Secretary: Sue Beasley (staff)
Treasurer: Nick Makin (staff)

The Friends depend on a continual cycle of parental involvement; as children reach their final year and leave, so do their parents. We do need your support to help us develop and better serve the school. Covid has got in the way of most of our planned events, but we continue to run a 100 Club lottery and have recently raised funds via a Marathon in June event. As restrictions ease we will be able to do so much more.

If you wish to know more on becoming a Friend please email friendsof@yht.wales or leave your details at Reception (01646 682461) and we'll come back to you.

The School Shop will be open every **Wednesday between 1530 to 1730 hrs.** The Shop will be run by The Friends supported by some of our lovely staff. New and second hand items will be for sale; some of the new stock will be the same uniform items as offered by Tees-R-Us and will be sold for the same price. We hope to build up stock levels over time. In the short term, please ensure you have your child's size since we cannot allow items to be tried on. However, if you find an item does not fit please return within 7 days for a refund.

Please note the exact date for the shop to start being open has yet to be confirmed.

Sixth Form

2021, notwithstanding its trials and tribulations, has seen another very successful year for the Sixth Form at Ysgol Harri Tudur. Throughout two extended lockdowns, our outgoing Year 13 showed dedication and commitment to their studies during the Sixth Form, which allowed them to meet the demands of the adapted assessments set by their teachers this Summer. As always, over three quarters of our Year 13 cohort have made competitive applications to university, with every one of our applicants receiving offers. Many students have already received early unconditional confirmations. This year we have seen applications to university for a diverse range of undergraduate subjects from illustration to civil engineering, from physics to fashion design and from media to renewable energies with dozens of other interesting courses in-between, all offering exciting graduate prospects. We are incredibly proud that we have three successful medical applicants this year, a course that is always one of the most selective in the UK. We also have a number of students who have chosen to further their education at either Pembrokeshire College or Coleg Sir Gar, studying Higher Diploma courses ranging from Computing to highly reputable Art programmes. For others we have helped secure apprenticeships with providers such as the NHS, whilst other students have been offered careers guidance in readiness for the world of work. We are, as always, exceptionally proud of all our students and the diverse academic routes and career pathways, which they have chosen, are testament to both their own ambition and the excellent Sixth Form curriculum provision at the school.

Year 12, by enlarge, echo the same successes as Year 13 and, once again, we are very proud of our Year 12 retention into Year 13 in what has been such a challenging academic year. Year 12 have just completed a Summer Programme where they have made a positive A2 Level / Vocational Year 2 start in all their subjects in readiness for September, whilst also pushing ahead with Welsh Baccalaureate tasks and completing an extensive research project in university and employment planning. We have been the only school in the county to invest in our Year 12 students in this way during this half-term. The programme culminated in a boat trip around Caldey, watching the marine wildlife and topped off with

ALN News

Congratulations Finlay Daley Year 11 who completed his **RNIB Braille** qualification making him qualified to teach Braille to others.

Congratulations to Donna Smith, who completed her BA degree, in Inclusive Studies in Education and Emma Reeves who completed her Foundation degree and will continue in September to complete her BA year.

fish and chips in the harbour. We are very much looking forward to Year 12 returning in September where I am sure they will continue to build on their Year 12 success.

In June, we were very pleased to invite Year 11 Sixth Form applicants back into school for a Sixth Form subject taster. Although curtailed due to ongoing Covid considerations, the event was well attended and I have received very positive feedback from both teachers and students alike. 2022 should be a year that allows us as a school to increasingly return to some sense of normality and we feel the Sixth Form is ideally placed to offer students the support, high quality teaching and success they are deserve. Whilst recruitment numbers are already strong for 2021-22, we continue to receive applications for the Sixth Form, both from within the school and indeed from further afield, so if you are a learner who was considering other options, but now would like to return to the school's successful Sixth Form Community, then please do not hesitate to contact sixthform@yht.wales

Year 11 Farewell

Year 11 were invited to collect a farewell gift as well as some cake and refreshments to celebrate the end of their time at Ysgol Harri Tudur. Pupils also had the opportunity to collect recognition certificates and prizes nominated by their teachers and KS4 Leader for a range of subjects in attainment, effort and progress.

It was lovely to see the sun shining on our Year 11 learners and we wish you all the best for your future endeavours.

Music and Music Technology

We will be offering more pupils the opportunity to learn instruments through individual lessons at school. Parents will be able to pay for 1:1 lessons at school. More information to follow....

From September 2021, we will be offering A' Level Music, A Level Music Technology and a Level 2 Music Technology course.

Headteacher’s Message

All school leaders have to complete a number of statutory training courses, when they take up their posts. One of these is on pandemic flu. Little, did I ever think, when I completed this in late 2019, that we would find ourselves in a global pandemic as soon as March 2020 and still be dealing with it, as I write this in July 2021.

The pandemic has affected everyone in our school community in a considerable number of ways. Everyone’s experience is different. We all have different views about what should and could be done, what is right and wrong about the current situation. Some people in society look for someone to continue to blame. There is no blame.

Certainly, from a school’s perspective, our pupils and students have all reported a range of experiences too. Many pupils have shown resilience and determination to continue to be successful, knowing that this will soon pass. Our Year 11 and Year 13 are shining stars here; they returned from the latest lockdown absolutely committed to their assessments so that their Centre Determined Grades reflected their hard work. These will of course, be confirmed on 10th and 12th August. Many other pupils have responded very well to their National Tests. At the moment, it seems as if the current Year 10 and Year 12/13 will sit formal examinations in the Summer of 2022, albeit scaled back.

We don’t know what September will bring at the moment for schools. At the moment, we don’t know if we can hold assemblies or have face to face parent’s evenings for example. I hope that we can return to many things that we used to do and embrace some of the new. Some parents have told us how much they like virtual parent’s evenings, whilst some parents would still prefer an opportunity to meet face to face.

We have planned our school year 2021-22 to include all the aspects of school life that need to be there, covid prevalence and mitigation will determine how we do them. We will continue to operate a KS3/5 and KS4 timetable and stagger our breaks across the school day. There are no changes to the current beginning and end of school day times.

This pilot edition of The Tudor Times contains articles about some of the things that we have been able to do since returning from lockdown. It is unfortunate but a reality that Covid prevalence has increased in our community in the last two weeks of the Summer Term. Unlocking goes on. I hope that you will all get a sense of what we have planned, our expectations of our pupils and students and our ongoing plans.

Thank you to you all, our pupils and students, our parents and our staff and their families for your empathy, your resilience, goodwill and determination to achieve the best outcomes for your futures.

Please take care and stay safe during this Summer break

Mrs Kite

July 14th 2021

The Tudor Times

Future monthly editions of the Tudor Times will be edited and produced by learners and one of our parent governors. If you would like to be involved, a meeting is being arranged for September.

The Start of Term and INSET Days 2021-22

Friday September 3rd from 8.35 am - 1.30pm - Year 7 and Year 12 [Optional enrichment activities to begin from 2pm Year 12 - will be advised of arrangements by Mr J Jones]

Monday 6th September - all other year groups Y7-13 from 8.30am

INSET Days 2021-22

Wednesday September 1st 2021 - Designated PCC INSET Day

Thursday September 2nd 2021

Monday December 20th 2021

Tuesday December 21st 2021

Monday April 25th 2021 - Designated PCC INSET day

Monday July 18th 2021

Tuesday July 19th - is the Platinum Jubilee Bank Holiday

COVID : The Delta Variant - If you or your child have any of the following symptoms, you are strongly advised to get a PCR test

Mild summer cold symptoms – including sore throat, runny nose, headache

Flu-like symptoms, including myalgia (muscle ache or pain); excessive tiredness; persistent headache; runny nose or blocked nose; persistent sneezing; sore throat and/or hoarseness, shortness of breath or wheezing

Generally feeling unwell and a history of being in contact with a known Covid-19 case

Any new or change in symptoms following a previous negative test

If you have any of the symptoms listed above, even if you have been vaccinated, please stay home and book a PCR test through the UK portal <https://www.gov.uk/get-coronavirus-test> or call 119.
