As well as the target and exam performance information, we also produce a full report of information including a financial statement, details of policy reviews, progress on the post- inspection action plan, disability and special needs information. If you would like a free copy of this full report, please email contact@yht.wales before Friday 17 December 2021. The report will be sent via email.

Your right to request a meeting with school's Governing Body

The Schools Standards and Organisation (Wales) Act 2013 removed the requirement for schools to hold an annual meeting with parents. Instead new arrangements were introduced to enable parents to request up to 3 meetings in any school year with a Governing Body, on matters which are of concern to them. More information on this can be found on the school website.

No meeting was held or requested during the last academic year.

Your Governing Body

The Governing Body represents the local community in the running of the school. It is made up of parents, staff, people appointed by the local authority and people who are co-opted by the Governors themselves. Governors cannot act individually – they make decisions through committees of full governing body meetings. Governors are mainly concerned with policy and strategy and the Headteacher and staff are accountable to the Governing Body. The Governing Body is not involved in the day-to-day running of the school. More information can be found in the fuller version of the Governor Report to Parents.

The provision made for pupils to participate in sport at the school including the provision for the extracurricular sports activities during the period since the last report:

The Department take great pride in providing as many opportunities for pupils to become fit and healthy through participating in sporting activities. There has been a lack of sporting fixtures over the last year due to Covid restrictions and adherence to Welsh Government restrictions and guidance.

Sport in the school and local community has now restarted and a full breakdown of sporting achievements will be available in the 2021 - 2022 report.
