25th October 2022

Dear Parents/Guardians,

General letter on social media

Ysgol Harri Tudur/Henry Tudor School is aware that social media is a useful tool that parents and guardians can use to communicate. However the school is concerned about the possibility of negative comments being made by postings which reference individual members of staff.   It is also not appropriate for parents to contact staff through private social media (i.e. private messaging) regarding any matters relating to the education of their children or matters concerning the school.

Please be aware that such postings are considered in law to be accessible to the general public and that by posting these comments you are subject to the laws of defamation, malicious communication and improper use of the communications network.

Negative statements or comments about individual members of staff or the school made on Facebook and/or other social networking sites, forums or message boards can be offensive, distressing, and potentially libellous and may give rise to legal action being taken. Any concerns you may have regarding members of staff or the school should be dealt with by following the school's complaint procedure. Alternatively, if you have concerns with any aspect of your child's education and learning you should contact the Headteacher as the first port of call.
