

# Pembrokeshire Families Support Network

Supporting families  
in Pembrokeshire

Pembrokeshire Families Support Network provides the opportunity for our family support teams, along with voluntary and third sector groups across Pembrokeshire, to work together to help local families thrive.

Some of the support services available:

- **TAF (Team Around the Family)**
- **Flying Start**
- **Action for Children**
- **Springboard**
- **Health Visiting Support Services**
- **Inclusion Support Service**
- **PAVS Community Connector**
- **Jigso**
- **Youth Workers**

Our aim is to provide families with the right support at the right time, providing a quick response to those who need help to access specialist support services and give families the confidence to make positive changes independently.

For more information or to request support, please contact a member of the team.
